Gazi, I meant to send me a hard copy of the entire report. Sorry for any confusion. I only need one copy.  
Thanks!

Erin

Here is the written portion of the 29th Annual Report corrected in accordance of your comments.

I have asked Fehr Graham to ammend Figure 11 as requested.

Do you want me to resubmit all the report with all the other figures or can I submit the witten portion plus Figure 11 as amended after Titan Legal signs on the changes?

Please let me know and if it is the former then how many copies do you need.

Thanks

\* Please let me know if the inserted wording in ME6 & ME7 are acceptable to EPA

Erin

Did you get a  
chance to look over the revised 29th P&T system operations report?

I am asking because  
you issued DICO a deadline in your email.

I also revised my  
Maintenance SOP for DICO with your corrections and added a section on Flood issues (thank you for  
bringing the flood topic in your email).

FYI , I am planning  
to retire in early October of this year, if you want me to address any Dico outstanding issues, please  
feel free to ask while I am  
still in this position. Once I leave, there will be no one with the history I have with DICO, before, during  
and post the 1994 UAO

Thank  
you

Respectfully
